Meeting called to order by Randy Purser at 7:10 p.m.

Kurt discussed with us how the original parcel came to be. He discussed why originally it consisted of 4 splits. I have included a copy at the end of these minutes.

We then jumped right into trying to set up a time line for the completion of the comprehensive plan. I have also included a copy of the Comprehensive Plan Status Report. Several of those items have already been completed.

Kurt is planning to have a DRAFT copy that is bound for us to look at around or before the 24th of June. Either I will go over to Blackfoot and get them or he will bring them here. I will make sure that everyone gets a copy. This will be for you to read, make notes, cross stuff out, add stuff in. Whatever you want to do, so that we have a hands-on copy to get this comp plan headed to the final stages.

Kurt still needs to gather the surveys and enter that information as well, HOWEVER, please stress to your friends, neighbors, and family that we need these filled out. I only have 15 in my office and I made over 100 copies for the public. Let's let our voices be heard. If you feel something needs to be changed or that something needs to be considered, that is what the survey is for

I did call each of the individuals that were on the list for the advisory board that the Commissioners had chosen and invited them to attend. Only 1 individual was able to attend. I will be inviting them again to our next meeting.

Scotty Allen motioned to accept minutes from the last meeting that were emailed to everyone as written, and Brian O'Kelley seconded the motion. Motion passed.

Next board meeting will be July 14th, 2022 at 7:00 p.m.

Brian O'Kelley made a motion to adjourn, second by Scotty Allen, Motion passed – 7:55 p.m.
