AMENDMENT TO THE MINUTES OF THE BUTTE COUNTY BOARD OF COMMISSIONERS ARCO, BUTTE COUNTY, IDAHO REGULAR MEETING: Monday, June 22, 2026

****

The Butte County Board of Commissioners met in regular session at 10:00 a.m.
Those present were: Commissioner Chairman Harrell, Commissioner VanEtten, Assessor Standlee, Clerk Blackner.
Others attending: Rebecca Lange.

Clerk Blackner asked that the minutes of Monday, June 22, 2026 be amended to correct an error on the Butte County Business Center (BCBC) & Contract item.
The request for the amendment was to state that the contract portion of this item was to review the contract with Eagle Rock Dental, not to approve the lease contract with the Big Lost River Groundwater District. Therefore, the motion, second, and all in favor to approve the Big Lost River Groundwater District lease contract will be rescinded with this amendment.

The previous minutes were as follows:

Butte County Business Center (BCBC) & Contract-Discussions were held regarding renovations to accommodate Eagle Rock Dental. The remodel plans are complete, and construction is ready to begin.
BCBC Administrator, Rossi Roberts, presented the yearly contract with Big Lost River Groundwater District. Commissioner Chairman Harrell moved to approve the contract. Commissioner VanEtten seconded. Motion carried.
